IMPROVEMENTS IN TREAT CANAL

The Lindsay Canal, which has been the subject of much discussion and controversy, is now being improved. The improvements are being carried out by the Lindsay Canal Commission, which was established in 1914. The improvements include the widening of the canal, the deepening of the bed, and the construction of new locks. The work is being carried out in stages, and it is expected that the canal will be completed by the end of the year.

WE ARE BUILDING.

The Lindsay Canal Commission is now building a new lock at the mouth of the canal. The lock is being built on a site which was formerly occupied by a mill. The new lock will be 100 feet long and 10 feet wide. It will be built of concrete and will have a masonry structure. The lock will be built in two stages. The first stage will be the construction of the masonry structure, and the second stage will be the construction of the lock gates. The work is being carried out by the Lindsay Canal Commission, which was established in 1914.

RUSH BUSINESS AT

Ford's Selling Out Sale

WHY? READ ON

Everybody who knows us is acquainted with our peculiar conditions caused by our move to this temporary stand.

The fact is we have more goods than we have space for. We've reached the most critical point in our merchandising. It's an inflexible rule with us not to allow goods to remain too long on the shelves if lower prices will sell them.

The goods are seasonable and fashionable now, but because we can't show them to advantage we must sacrifice them. The decks must be cleared at once, we don't want them, you do.

We would not think of cutting prices like this in regular business at this season of the year if we were not forced to. Our loss is your gain. We must have rush business to turn the goods into cash. Who can afford to pass these without getting a share?

Our Big Stock of Furs Must Go at Bargain Prices

Yes, it seems ridiculous to be cutting prices on good furs right at the beginning of winter, but this is an exceptional time for us.

There is wide choice of Women's Astrachan Jackets, Electric Seal Jackets, Fur-lined Coats, Caparines and Collars, Ruffs and Muffs of numerous kinds of furs, including Mink, Sable Fox, Electric Seal, Opossum, Thibet, Marmot and others, Persian Lamb Jackets, plain or trimmed, Men's Racoon Coats, Men's Black Marmos, Men's Fur-lined Coats.

Staple Linens

This Linen Stock is just as full up as it is possible to be. Last July our buyer when abroad got word of Linens going to go up in price, so he made our purchases for a year ahead. We put into our bleached damask stock some very choice designs made by John S. Brown & Son, also into the cream damasks the very finest woven, made by John Sheela. These two makers lead the world in damasks.

Bleached Damasks, 72 inches wide, 50c to \$2.00 per yard.
Cream Damasks, 66 to 72 inches wide, 50c to \$1.50 per yard.

Bleached Huck Towels 12c to \$1.25 each.
300 Spec. Napkins, 22 x 25 inches, \$1.60 per dozen.
